<p>Spoke how well the LinkedIn went & how well the presentation from Chris went. Due to schools firewall the students were not able to set up their own profiles.</p>																								
<p>Discussed what the outcome of talks that Katie had with Matthew regarding going for the Quality in Careers Award. From memory there was an issue with the cost, but maybe when Katie is back to update?</p>																								
<p>Looking to next academic year that Post 16 will adopt how the school has conducted their careers day, as a better format – 2 to be delivered through the year one at Dec and another in late Spring.</p>
