

School name	Springhallow School
Sustainability mission statement	To create a whole school approach to actively contributing to a more sustainable future.
Date of last carbon footprint	
Last carbon footprint assessment	
Number of pupils	170
Number of staff	111 (Head Count)
DfE pillar definition*	Example
Decarbonisation	Calculating and taking actions to reduce carbon emissions, such as becoming
Adaptation and resilience	Taking actions to reduce the risk of flooding and overheating
Biodiversity	Engaging with the National Education Nature Park
Climate education and green careers	Ensuring the education you provide gives knowledge-rich and comprehensive teaching about climate change, and that your teaching staff and lecturers feel supported to offer this

No.	DfE Pillar	Theme	Goal Horizon	Action	Lead Person	Other Team Members	Resources Required	Funding Requirements	Other Information	How measured	Status	Start	Deadline	Impact Summary	Carbon Saving	Other Benefits
0.5	Decarbonisation	Energy	Medium	Fit solar panels	Matthew Sartin	School Business Manager and site maintenance	None	None - offtake agreement to be agreed	N/A	kWh electricity generated for the school	Complete	Complete	Complete	Increase in renewable energy generation has reduced the school's carbon footprint and saved money.	Use kWh solar panel energy x average UK grid carbon intensity (https://www.carbonbrief.org/analysis-uks-electricity-was-cleanest-ever-in-2024/)	
1	Decarbonisation	Monitoring	Ongoing	Annual review of CAP steps				n/a		n/a				Sustainability strategy in place to drive progress.		
2	Decarbonisation	Monitoring	Ongoing	Annual calculation of carbon footprint using Count Your Carbon Calculator				n/a	<a href="https://www.countyourcarbon.org">https://www.countyourcarbon.org</a>	Carbon calculation comparison every year				Data to provide insight into priority carbon reduction areas.		
3	Decarbonisation	Monitoring	Ongoing					n/a		n/a				Resource to drive progress.		
4	Decarbonisation	Monitoring	Ongoing					n/a		n/a				Resource to drive progress.		
5	Decarbonisation	Monitoring	Ongoing	Maintain free membership of Let's Go Zero				n/a	<a href="https://letsgozero.org">https://letsgozero.org</a>	n/a				Free sustainability support.		Save money & carbon.
6	Decarbonisation	Monitoring	Ongoing	Register for free membership of Climate Ambassadors programme				n/a	<a href="https://climateambassadors.org.uk">https://climateambassadors.org.uk</a>	n/a				Free sustainability support.		Save money & carbon.
7	Adaptation and resilience	Energy	Ongoing	Provide energy efficiency and sustainability training to all staff as part of fire risk training - training to include: lights off, windows closed and doors closed to save energy, what to recycle, class protocols for hot weather etc.				n/a		Staff notified through internal communication about energy saving measures.				Energy reduction habits embedded into the school culture.		Save money & carbon.
8	Climate education and green careers	Transport	Ongoing	Climate action/change taught as part of science curriculum. Older pupils take part in Green work experience opportunities (Greener Ealing)	Class Teachers, Job Coach and SLT.		Planning time and subject budget contributions.	n/a		Pupil assessments and employability qualification logs.	In progress	Ongoing	Ongoing	Boost climate literacy and skills. Employability and work related learning skills		Boost climate literacy, save money, carbon and boost biodiversity.
9	Climate education and green careers	Waste	Ongoing	New school wide recycling system in place including food waste.	Business Manager, Maintenance staff	All staff and pupils	Waste disposal units	n/a		Pupil and staff feedback.	Complete	Ongoing	Ongoing	Boost climate literacy and skills.		Boost climate literacy, save money, carbon and boost biodiversity.
10	Climate education and green careers	Energy	Ongoing	Eco-shop running weekly	Adam Irving	Staff and Pupils	Stock and time	Funding to maintain Eco produce		Pupils feedback and progress towards employability qualifications	In progress	Ongoing	Ongoing	Resource sustainability progress in both school communities and boost climate literacy and skills.		Boost climate literacy, Improve employability skills and improve climate action awareness
11	Decarbonisation	Energy	Ongoing	Sustainability check-list in every classroom	Class Teachers		Time/curriculum costs	n/a		Actions against completed checklists	Not started	Jan-25	Summer 2025	Energy reduction, waste/recycling habits embedded into the school culture.		Save money & carbon.
12	Biodiversity	Biodiversity	Ongoing	Create a Forest School	SLT	Class Teachers	Materials, specialist teachers.		Continue work with LettingGrow organisation	Forest school implementation. Progress towards individual outcomes	In progress	Autumn 23	Ongoing	Impact on local Eco system. Impact on mental health and academic outcomes of learners
